I/We have listed information for the purpose of obtaining credit. I/We do hereby attest that the information supplied on this application is true and correct and authorize Chuck's Backhoe Service, Inc. to investigate the references listed.

I/We do hereby agree to pay any and all obligations to Chuck's Backhoe Service, Inc. within 30 days of receipt of invoice. All sums not paid when due will bear interest at the rate of one and one half percent interest or the maximum rate permitted by law, whichever is less. All costs of collection, including reasonable attorney's fees, will be paid by the customer.

Agreement between Chuck's Backhoe Service, Inc. and Customer

The purpose of this agreement is to identify the job site responsibilities of Chuck's Backhoe Service, Inc. (providing heavy equipment rental with operator or operator without equipment) and Customer (supervising the heavy equipment with operator or operator without equipment) provided by Chuck's Backhoe Service, Inc.

Chuck's Backhoe Service, Inc. shall provide equipment and/or operator(s) that are in compliance with applicable OSHA rules and regulations as they relate to the operator, the machine and the machine's operation only. Matters concerning the utility locates, safe work areas and safe trenches are the customer's responsibility.

Customer shall provide the following:

- 1) **Customer shall locate all underground utilities** (Electric, Phone, Gas, Water, Data, etc.) before Chuck's Backhoe Service, Inc. starts work on job.
 - a) **For "easement" related utilities** Florida Statute 556 requirements to call SUNSHINE STATE ONE-CALL 1-800-432-4770 two-business days before excavation are the customer's responsibility.
 - b) **For "private property" related utilities** the customer shall obtain locations of all underground utilities in the path of or near the proposed excavation by;
 - i) Customer to check "as built" drawings for existing buildings and site improvements.
 - ii) Customer to check with on-site trades (i.e. electrical, plumbing and mechanical) for recently installed utilities on new construction jobs.
 - iii) Customer to utilize an outside locating service as necessary. Palm Beach and Fort Lauderdale – Ground Hound (561) 737-9800. Dade County – CLS Inc. (305) 599-3001
- 2) **Customer shall provide safe work areas** that are in compliance with applicable OSHA rules and regulations.
 - a) Customer to maintain **traffic control** to allow for safe work areas.
 - b) Customer to keep all **work areas free from obstructions** such as scaffolding, ladders, stored materials, etc.
 - c) Customer to provide proper **ventilation**.
 - d) Customer to provide proper **lighting**.
- 3) **Customer shall provide safe trenches** that are in compliance with all applicable OSHA rules and regulations.
 - a) Customer to provide a "**Competent Person**" on-site as required by OSHA,
 - b) Customer to keep all objects, tools, etc', at least **two feet** away from the **edge of excavations**.
 - c) Customer to keep **ladder top** at least **three feet** above the top of excavations.
 - d) Customer to provide **ladder** or ramp for excavations deeper than **four feet**.
 - e) Customer to provide cave-in protection (**sloping, trench box or shoring**) for excavations deeper than **five feet**.
 - f) Customer to provide fall protection (**fence, guard rail, barricades**) for excavations deeper than **six feet**.
 - g) Customer to provide safe access (**ladder**) every **twenty five feet**,
 - h) Customer to **pump out water** from all excavations as required by OSHA,
 - i) Customer to insure all excavations **do not weaken above ground installations** (light poles, foundations, trees, roadways, sidewalks, scaffolding, etc)
 - j) Customer to insure all excavations **do not weaken below ground installations** (catch basins, wall footers, duct banks, utilities, etc)

Both Chuck's Backhoe Service, Inc. and Customer agree to the above listed job site responsibilities.
